All proceeds help vulnerable children in Uganda & the DMV

The Christalis Superhero 5K Run/Walk and Pop-Up Market is an annual family-friendly community event where participants dress as superheroes, enjoy a 5K along Sligo Creek, a Little Hero Dash for children, snacks, hot drinks, a costume contest, and a finisher medal awarded by Grace, a child who grew up in the Christalis Home.

After the 5K, runners and spectators can grab a bite, browse handmade goods, and learn about local businesses at our Community Pop-Up Market. This event brings runners, walkers, families, and partners together for a fun morning that turns every step and purchase into a lasting impact both locally and globally.

Where Your Support Goes

Uganda Projects

Child & Family Development Program:

Provides orphaned and underprivileged children with education, emergency healthcare, and basic needs, while also providing tools such as microloans and income-generating opportunities to their guardians to build long-term stability.

US Projects

Lilly's Gifts: Provides food, school supplies, and holiday gifts to children in vulnerable situations.
